Statement of Faith and Values:

We believe in salvation by faith in Jesus Christ who died on the cross as the substitute for our sin.

We believe in the authority of Scripture and its power to provide direction and purpose for our lives.

We believe that Christians should grow in their faith and be committed to a life of personal devotion to God.

We believe that the avenues for this growth are the basic Christian disciplines: prayer, Bible study, worship, service and fellowship with other believers in a local, Bible-teaching church.

We believe that the Christian life should be marked by positive characteristics such as integrity, honesty, purity, and respect.

We believe there is no more exciting, satisfying or meaningful life than the journey of knowing and following Jesus! Therefore, we will work, play and serve with enthusiastic and cheerful hearts!
